COCKTAILS AT THE PALM COURT

Welcome to The Palm Court at The Plaza Hotel. As The Plaza enters its 112th year, we would like to take this opportunity to acknowledge the rich history of this iconic New York landmark. Since 1907, The Plaza Hotel has hosted countless celebrities, presidents and foreign dignitaries. It has survived two World Wars, The Great Depression and perhaps most important to our cocktail menu, the devastating effects of Prohibition (1920-1933) when the U.S. government made it illegal to produce, distribute or drink alcohol.

As bartenders were forced to work in underground speakeasies, The Palm Court staff and management found alternative ways to accommodate their guests' thirst. F. Scott Fitzgerald, who wrote many of his novels as a resident of The Plaza, was never for want of an alcoholic libation. In perhaps his best known work, The Great Gatsby, his fictitious character Jay Gatsby stays at The Plaza Hotel sipping Mint Juleps during the height of Prohibition.

We have created this tribute cocktail list to honor the amazing libations served here over the past century while simultaneously showcasing the current new golden age of the craft cocktail. We want to bring New Yorkers back to The Palm Court by appealing to locals and luminaries alike. As we open the latest chapter in The Plaza's illustrious history, all of our cocktails use only the freshest ingredients and are individually balanced by the talented, passionate and dedicated bartending staff. So enjoy a cocktail at the new Palm Court, with its timeless feel, opulent atmosphere and impeccable service. Until our next cocktail together...

Cheers!
